SUBJECT INDEX TO POETRY FOR CHILDREN AND YOUNG PEOPLE

Violet Sell

Dorothy B. Frizzell Smith

Ardis Sarff O'Hoyt

Mildred Bakke

Outstanding features—

- **COVERAGE**
  Indexes 157 general and subject anthologies, collected and selected works—more than any comparable poetry index
- **COMPREHENSIVENESS**
  Detailed comparison shows a more inclusive scheme of subjects, of greater usefulness, than in any similar work
- **CONVENIENCE**
  Page, author and title for every poem—you turn directly from the reference to the source in *your* library
- **DETAILED HEADINGS**
  Includes poetic forms as well as subjects, all fully cross-referenced
- **GRADE LEVELS**
  Indicated for all books indexed
- **INTELLIGENT PLANNING**
  The books indexed were chosen on the basis of a survey among school and children's librarians—the subject headings reflect children's interests and curriculum needs, the user's convenience
- **WIDE USAGE**
  As useful to public speakers, preachers, readers of any age, as to librarians and teachers
- **A MAGNUM OPUS**
  A major contribution to every reference collection

The price and complete details of *Subject Index to Poetry for Children and Young People* will be announced shortly before the book's publication this fall. Only readers of *The Booklist and Subscription Books Bulletin* receive this initial announcement of a book that will be a basic tool for many of them. So . . . take advantage of your head start and order at once, to insure immediate delivery at publication.

© 1957 by the American Library Association

THE BOOKLIST AND SUBSCRIPTION BOOKS BULLETIN is published twice a month, September through July, and once only in August, by the American Library Association, 50 E. Huron St., Chicago 11, Ill. Subscription $6 a year; 40c a copy. Second-class mail privileges authorized at Chicago, Ill.

Reviews in the Subscription Books Bulletin section are prepared by members of the Subscription Books Committee of the American Library Association, and represent the combined opinion of the Committee. Both books recommended for purchase and those not recommended are reviewed.

Books reviewed in the other regular sections are read, selected, and annotated by the Booklist editorial staff. Selection is made with the help of a group of librarians in representative types of libraries. Only books and materials recommended for library purchase are listed in the Booklist sections. Opinions expressed in special lists or articles are those of the contributors.

Acceptance of advertisements does not imply endorsement of the items advertised.
